The (lost) art of listening  
It 's something I ' ve  
told my children since  
before they could fully  
understand what it  
meant: God gave you  
two ears and one mouth  
so you could listen twice  
as much as you speak.

"The Lost Art of Listening" is absolutely essential for good relationships. It covers how communication breaks down, why people don't listen (we struggle to suspend our own needs, our biases filter what we hear, emotionality makes us defensive and what we expect to hear clouds what was actually said),
