THE MESSIAH OF STOCKHOLM. Cynthia Ozick 's The Messiah of Stockholm (1987) is a compact and highly provocative narrative that may be read as a parable about Holocaust memory and postwar Jewish identity. Its playful, quasi-fantastical mode recalls the postmodernist techniques of Jorge Luis Borges and Italo Calvino .

From one of our most preeminent writers, a tale that captures the shifting meanings of the past, and how our experience colors those meanings. Lloyd Wilkinson Petrie, one of the seven elderly trustees of the now defunct (for thirty-four years) Temple Academy for Boys, is preparing a memoir of his days at the school, intertwined with the troubling distractions of present events. As he navigates, with faltering recall, between the subtle anti-Semitism that pervaded the school's ethos and his fascination with his own family's heritage--in particular, his illustrious cousin, the renowned archaeologist Sir William Matthew Flinders Petrie--he reconstructs the passions of a childhood encounter with the oddly named Ben-Zion Elefantin, a mystifying older pupil who claims descent from

Egypt's Elephantine Island. From this seed emerges one of Cynthia Ozick's most wondrous tales, touched by unsettling irony and the elusive flavor of a Kafka parable, and weaving, in her own distinctive voice, myth and mania, history and illusion.

A teenage girl goes to work for a chaotic family of Jewish immigrants, in a New York Times bestseller that's "a cause for celebration" (Ann Patchett). In the 1930s, New York is swarming with Europe's ousted dreamers, alien families adapting to a new world. Rose Meadows unknowingly enters the lives of one such family when she answers an ad for an "assistant" to a Herr Mitwischer, the patriarch of a large household living in an obscure little neighborhood, in a remote corner of the sparse and weedy northeast Bronx. With an uncertain future, and no clear idea of her

duties, Rose— orphaned at eighteen and recently turned out by lover— has become a refugee among refugees. Expelled from Berlin's elite, Professor Mitwischer—a researcher obsessed with an arcane religious doctrine— lives with his wife, a prominent physicist now quietly going mad, and Anneliese, their willful sixteen-year-old daughter. When Anneliese's fierce longing draws a new outcast into the fold—a vagrant actor running from fame—it's up to Rose to quell the emotional, sexual, spiritual, and societal tempests brewing within the Mitwissers unsettled home. Hailed by the New York Times as “the most accomplished and graceful literary stylist of our time,” Cynthia Ozick is a recipient of the National Book Critics Circle Award, the PEN/Nabokov Award and PEN/Malamud Award, and Heir to the Glimmering World is yet another triumph from the author of the National Book Award finalist *The Puttermesser Papers*

and Foreign Bodies. “A heroine to love, a story we can’t let go of, gorgeous sentences, and ideas to wrestle with. I didn’t just read the book, I devoured.” —Ann Patchett

With dashing originality and in prose that sings like an entire choir of sirens, Cynthia Ozick relates the life and times of her most compelling fictional creation. Ruth Pattermesser lives in New York City. Her learning is monumental. Her love life is minimal (she prefers pouring through Plato to romping with married Morris Rappoport). And her fantasies have a disconcerting tendency to come true - with disastrous consequences for what we laughably call "reality." Pattermesser yearns for a daughter and promptly creates one, unassisted, in the form of the first recorded female golem. Laboring in the dusty crevices of the civil service, she

dreams of reforming the city - and manages to get herself elected mayor. Puttermesser contemplates the afterlife and is hurtled into it headlong, only to discover that a paradise found is also paradise lost. Overflowing with ideas, lambent with wit, The Puttermesser Papers is a tour de force by one of our most visionary novelists. "The finest achievement of Ozick's career... It has all the buoyant integrity of a Chagall painting." -San Francisco Chronicle "Fanciful, poignant... so intelligent, so finely expressed that, like its main character, it remains endearing, edifying, a spark of light in the gloom." -The New York Times "A crazy delight." -The New York Time Book Review

“Four expertly turned stories” of comedy, deception, and revenge from the acclaimed author of *Heir to the Glimmering World* (*The New York Times Book Review*). A *New York Times* Notable Book Dictation brings together four long stories by this Pulitzer and Man Booker Prize finalist, forming a quartet of sly humor and piercing insight into the human heart. The title story imagines a fateful meeting between the secretaries to Henry James and Joseph Conrad at the peak of their fame. Timid Miss Hallowes, who types for Conrad, comes under the influence of James’s Miss Bosanquet, high-spirited, flirtatious, and scheming. In a masterstroke of genius, Ozick hatches a plot between them to insert themselves into literary

posterity. Each story in the collection starts in the comic mode, with heroes who suffer willful self-deceit. From self-deception, these not-so-innocents proceed to deceive others, who don't take it lightly. Revenge is the consequence—and for the reader, a delicious if dark recognition of emotional truth. In *Dictation*, an author whose stories have won four O. Henry first prizes “reveals herself a master” (The New York Times Book Review). “A testament to the seductions of language and the smoldering aspirations of art.” —O, The Oprah Magazine “A brilliant book, a necessary book, a book that radiates the true intelligence of literature from every page.” —The New York Observer

Critics Circle Award. One of America's foremost novelists and critics, Cynthia Ozick has won praise and provoked debate for taking on challenging literary, historical, and moral issues. Her new collection of spirited essays focuses on the essential joys of great literature, with particular emphasis on the novel. With razor-sharp wit and an inspiring joie de vivre, she investigates unexpected byways in the works of Leo Tolstoy, Saul Bellow, Helen Keller, Isaac Babel, Sylvia Plath, Susan Sontag, and others. In a posthumous and hilariously harassing "(Unfortunate) Interview with Henry James," Ozick's hero is shocked by a lady reporter. In "Highbrow Blues," and in reflections on her own early fiction, she writes intimately of "the din in our heads, that relentless inner hum," and the curative power of literary imagination. The Din in the Head is sure to please fans of Ozick, win her new readers, and

excite critical controversy and acclaim. “Open the collection anywhere—I guarantee it—and you will feel the bite of her distinctive voice.” —Sven Birkerts, Los Angeles Times “The passion that fills these essays is invigorating. In our age of irony and commercial pandering, we need writers like Ozick.” —Danielle Chapman, Chicago Tribune

Ozick is a kind of narrative hypnotist. Her range is extraordinary; there is seemingly nothing she can't do. Her stories contain passages of intense lyricism and brilliant, hilarious, uncontainable inventiveness.
