The Prelude is a book-length autobiographical poem by William Wordsworth. It focuses on Wordsworth's spiritual development, which is often spurred on in the poem by the surrounding natural environment. In this early passage from The Prelude, the speaker recalls a night when he, as a young boy, steals a boat and rows out into the middle of a lake. Eventually, the boy becomes scared of a

Wordsworth laments that even an envy of the minds of the great will not rouse him from his lassitude. He has no one to blame but himself for his lack of desire and ambition. He was spoiled by his "education" outdoors. Not that he now has slighted books, but he looked upon indoor study as a kind of captivity and took slowly to it.

Wordsworth suddenly "foresees" the expulsion of the monastics (in 1792) by the revolutionary republicans and is aghast. He hears the ominous voice of nature cry out in defense of the monastery. Wordsworth himself defends the justice of the Revolution and praises the new liberty (this is his first mention in *The Prelude of the Revolution*). But like the Revolution, says Wordsworth, allegiance to the monastic vow also levels the difference between aristocrat and peasant.
