Portia De Rossi tells her story with genuine insight and unflinching honesty. Her plight is horrifying, but De Rossi herself is entirely sympathetic, and by the end, you will cheer her on." --Jeannette Walls "De Rossi is beautiful and famous and married to another celebrity and all of this makes it very easy to roll your eyes and dismiss Unbearable Lightness, her memoir of overcoming an eating disorder.

years later, in a French translation (as L'Insoutenable légèreté de l'être).

The Unbearable Lightness of Being - Wikipedia

"Unbearable Lightness" is a book every parent of a pre-teen should know about (or in fact read). We learn not only about Portia DeRossi's life struggles with eating disorders and being in the closet but about struggles many teenagers go through.

Unbearable Lightness: A Story of Loss and Gain: Amazon.de ...

Milan Kundera 's novel The Unbearable Lightness of Being (1984) offers the same philosophical musings but with significantly less deaths. The book will persuade you of the insignificance of your individual existence whilst also managing to feature a dog as one of the central characters. Kundera spent his life and career in exile.

Unbearable Lightness. A Story of Loss and Gain.: De Rossi ...

Praise For Unbearable Lightness: A Story of Loss and Gain " Written with artistry, compelling insight and lucid frankness, [Unbearable Lightness] offers solid hope and inducement to initiate the odyssey toward self-knowledge and acceptance. " . — The New York Times. " A stark, well-written portrait of how De Rossi lost control of her life as she became consumed by her struggle for perfection and acceptance. " .

"I didn't decide to become anorexic. It snuck up on me disguised as a healthy diet, a professional attitude. Although there was a certain glamour to anorexics, I didn't want to be one. I just wanted to excel in dieting. And weighing in at 80 pounds on 300 calories a day, I was the best little dieter there ever was." In scalding prose, Portia de Rossi reveals the pain and illness that haunted her for decades. She alternately starved herself and binged, putting her life in danger and lying to herself and everyone around her about the depth of her

illness. From her lowest point, Portia began the painful climb back to health and happiness, ultimately falling head over heels in love with Ellen DeGeneres. In this remarkable and landmark book, she tells a story that inspires hope and nourishes the spirit.

When *The Unbearable Lightness of Being* was first published in English, it was hailed as "a work of the boldest mastery, originality, and richness" by critic Elizabeth Hardwick and named one of the best books of 1984 by the *New York Times Book Review*. It went on to win the *Los Angeles Times Book Prize for Fiction* and quickly became an international bestseller. Twenty years later, the novel has established itself as a modern classic. To commemorate the anniversary of its first English-language publication, HarperCollins is proud to offer a special hardcover edition. A young woman in love with a man torn between his love for her and his incorrigible womanizing; one of his mistresses and her humbly faithful lover -- these are the two couples whose story is told in this masterful novel. Controlled by day, Tereza's jealousy awakens by night, transformed into ineffably sad death-dreams, while Tomas, a successful surgeon, alternates loving devotion to the dependent Tereza with the ardent pursuit of other women. Sabina, an independent, free-spirited artist, lives her life as a series of betrayals -- of parents, husband, country, love itself -- whereas her lover, the intellectual Franz, loses all because of his earnest goodness and fidelity. In a world in which lives are shaped by irrevocable choices and by fortuitous events, a world in which everything occurs but once, existence seems to lose its substance, its weight. Hence we feel, says the novelist, "the unbearable lightness of being" -- not only as the consequence of our private acts but also in the public sphere, and the two inevitably intertwine. This magnificent novel encompasses the extremes of comedy and tragedy, and embraces, it seems, all aspects of human existence. It juxtaposes geographically distant places (Prague, Geneva, Paris, Thailand, the United States, a forlorn Bohemian village); brilliant and playful reflections (on "eternal return," on kitsch, on man and animals -- Tomas and Tereza have a beloved dog named Karenin); and a variety of styles (from the farcical to the elegiac) to take its place as perhaps the major achievement of one of the world's truly great writers.

44 SCOTLAND STREET - Book 5 The residents and neighbors of 44 Scotland Street and the city of Edinburgh come to vivid life in these gently satirical, wonderfully perceptive serial novels, featuring six-year-old Bertie, a remarkably precocious boy—just ask his mother. Featuring all the quirky characters we have come to know and love, *The Unbearable Lightness of Scones*, finds Bertie, the precocious six-year-old, still troubled by his rather overbearing mother, Irene, but seeking his escape in the Cub Scouts. Matthew is rising to the challenge of married life with newfound strength and resolve, while Domenica epitomizes the loneliness of the long-distance intellectual. Cyril, the gold-toothed star of the whole show, succumbs to the kind of romantic temptation that no dog can resist and creates a small problem, or rather six of them, for his friend and owner Angus Lordie. With his customary deftness, Alexander McCall Smith once again brings us an absorbing and entertaining tale of some of Scotland's most quirky and beloved characters--all set in the beautiful, stoic city of Edinburgh.

Unlock the more straightforward side of *The Unbearable Lightness of Being* with this concise and insightful summary and analysis! This engaging summary presents an analysis of *The Unbearable Lightness of Being* by Milan Kundera, an intricate, cyclical novel which charts the lives of Tomas, a successful surgeon, his wife Tereza, his lover Sabina, and Sabina's lover Franz. The narrative skilfully blends the characters' experiences of love, political activism and happiness with philosophical musings on the "lightness" of existence, creating an engaging novel which encourages readers to reflect on the meaning of their own lives. Milan Kundera was born in Czechoslovakia, where he

The Unbearable Lightness of Beans is a collection of the world's greatest Nonfiction. And also its first, since Dr. Juan invented the form--accidentally. This "Nonfiction Story Explosion!" consists of three tales-Sexish, Mockumentary and Miscellooneyous. Presented according to parts of the knock-off movie title. This book is a boisterous parade. Of people Doc has known, like Bill Gates, and the world's most secret fartsnitch. Places such as the cheapest little city in the world, and Mazatlan, where psychic powers pop. Characters like his first male lesbian case, and a born-again Jew who wins an OYE award. And incredible self-help know-how, including Psy-Cat-Ry, Alphabetical Therapy, and how to figure your personal spam. This is the only book that can tell you, among other things: How McDonald's burgers can bring world peace. What Columbus never knew about our Indians? How paragraphology reveals the great writers. How to easily cure Post Traumatic School Diss. Which direction you are, and where you're headed in life.

Milan Kundera's sixth novel springs from a casual gesture of a woman to her swimming instructor, a gesture that creates a character in the mind of a writer named Kundera. Like Flaubert's Emma or Tolstoy's Anna, Kundera's Agnes becomes an object of fascination, of indefinable longing. From that character springs a novel, a gesture of the imagination that both embodies and articulates Milan Kundera's supreme mastery of the novel and its purpose; to explore thoroughly the great, themes of existence.

Rich in its stories, characters, and imaginative range, The Book of Laughter and Forgetting is the novel that brought Milan Kundera his first big international success in the late 1970s. Like all his work, it is valuable for far more than its historical implications. In seven wonderfully integrated parts, different aspects of human existence are magnified and reduced, reordered and emphasized, newly examined, analyzed, and experienced.

View our feature on Katie MacAlister 's The Unbearable Lightness of Dragons. Ysolde Bouchier is still coming to terms with the dragon part of her, while at the same time trying to free a friend of Baltic-her Black Dragon lover-from the weyr, get Baltic to meet with the dragons who want him dead, rescue a half-dragon damsel in over her head, raise the shade of the man everyone says killed her, and once and for all clear Baltic's name of the murder charges that continue to plague him. For Ysolde, being a dragon is starting to bite.

All too often, this brilliant novel of thwarted love and revenge miscarried has been read for its political implications. Now, a quarter century

Read Book Unbearable Lightness A Story Of Loss And Gain

after *The Joke* was first published and several years after the collapse of the Soviet-imposed Czechoslovak regime, it becomes easier to put such implications into perspective in favor of valuing the book (and all Kundera's work) as what it truly is: great, stirring literature that sheds new light on the eternal themes of human existence. The present edition provides English-language readers an important further means toward reevaluation of *The Joke*. For reasons he describes in his Author's Note, Milan Kundera devoted much time to creating (with the assistance of his American publisher-editor) a completely revised translation that reflects his original as closely as any translation possibly can: reflects it in its fidelity not only to the words and syntax but also to the characteristic dictions and tonalities of the novel's narrators. The result is nothing less than the restoration of a classic.

There is nothing unusual about the barrel-organ man who walks into private detective Louie Knight's office. Apart from the fact that he has lost his memory. And his monkey is a former astronaut. And he is carrying a suitcase that he is too terrified to open. And he wants a murder investigated. The only thing unusual about the murder is that it took place a hundred years ago. And needs solving by the following week. Louie is too smart to take on such a case but also too broke to turn it down. Soon he is lost in a labyrinth of intrigue and terror, tormented at every turn by a gallery of mad nuns, gangsters and waifs, and haunted by the loss of his girlfriend, Myfanwy, who has disappeared after being fed drugged raspberry ripple ...
