In-Text Citation Rules for  
Short Quotations. When  
quoting directly from a  
work, include the author,  
publication year, and page  
number of the reference  
(preceded by “p.”).. Method  
1: Introduce the quotation  
with a signal phrase that  
includes the author’s last  
name; the publication year  
will follow in parentheses.

referencing Style In any academic article you are required to cite the works you referenced while doing your research. Most universities even require you to give proper in-text citation and referencing in your paper. The APA referencing methodology is based around the author of the article and the date it was published.
